

according to the

- The Low Voltage Directive (73/23/EEC) The Machinery Directive (89/392/EEC)
- The EMC Directive (89/336/EEC) The Medical Devices Directive (93/42/EEC)

Manufacturer's name: Sauer-Danfoss (Älmhult) AB
Manufacturer's address: Stålgatan 1
S-343 34 Älmhult
SWEDEN
Tel: +46 (0)476 - 569 00

Declares that the product:

DP600 part no 10100890
DP610 part no 10100889

Conforms to the following harmonised standards or technical specifications:

ISO 11452-2 / 11452-5 EMC immunity

EN 61000-2-3 EMC emissions

EN 61000-4-2 ESD

The equipment conforms completely with the above stated harmonised standards or technical specifications.

OR

The equipment conforms only partly with the above stated harmonised standards or technical specifications but complies with good engineering practice in safety matters in force within the EEA.

Additional information:

Can communication can be locked in the frequency range 20 – 42 Mhz,
When unit is resetared it will recover.
The unit is compliant up to 50 V/m in this frequency range.

We declare that the equipment in question complies with the safety requirements stated above:
