Declares that the product:

Plus 1 Model MC50-10

The 10100900 controller contains the 10106076 PCB assembly.

This controller conforms to the following harmonised standards or technical specifications:

EN 55 022 limit B, EN 61000-4-2, EN 61000-4-3, EN 61000-4-4, EN 61000-4-6

- The equipment conforms completely with the above stated harmonised standards or technical specifications.

OR

- The equipment conforms only partly with the above stated harmonised standards or technical specifications but complies with good engineering practice in safety matters in force within the EEA.

Additional information:

Susceptibility is documented in EER 4764.
Emissions are documented in EER 4765.
The ESD results are documented in EER 4752.

We declare that the equipment in question complies with the requirements stated above:
